9. After Submission

Once the Envelope is submitted, it will come to our office for review. We will process the petition, assign a case number and court, and send an acceptance email to the filer with a link to retrieve their file stamped copy. This is usually done within 24 hours. Once you've received your acceptance email with the assigned cause number and court, it can be submitted up to the judge for approval. Any questions on this can be directed to:
